Campus locations –

The Samuel Roberts Noble Microscopy Laboratory is located to the west of the parking garage. To get there come across the mall on the west side of the parking garage to George Lynn Cross Hall (Botany/Microbiology). You can enter through the doors on the south end of the building. Find the elevators and come up to the second floor. Upon exiting the elevator turn right and you'll see the doors to the EM lab. Just come down the ramp to the lab.
